Administration

Calendars were passed out for review; should we add the church picnic to Rally Day on Sept 8? Yes. Send in your newsletter articles.

Marshall moved, Jeff seconded, that the April minutes be approved as written; passed on voice vote.

Required Committee Reports

Senior Pastor's Report – see below. Asked us to take VBS flyers to pass out to neighbors.

Youth Director's Report – see below.

Staff Parish – Jeff reported that Ally Gorvett is now 18, works as an asst in the nursery. At times she is the leader, so they will pay her as a leader for those days. Marianne will take over the duties of the previous Education Minister (10 hours/week) for children (not adults) for one year (August to August). Will not change her job description since this is temporary, though there is a list of new responsibilities. Will re-evaluate after the year, either to increase, maintain, or eliminate the role, with Marianne or someone else. Stephanie added that Marianne is looking forward to growing the program, which will lead to more youth in the youth program. She will work with Education on the new Sunday School program during July as a volunteer. SPRC will need to submit the details to Ellen & Donna to make the payroll changes. Jeff moved, on behalf of SPRC, that ten hours be added to Marianne's 15-hour week to include these new duties to her role; Rich seconded, passed unanimously.

Finance – did not meet (will meet next month). However, Carolyn submitted the April results. Envelope giving is down against budget by 8%. Looking & testing new accounting systems, working with tellers to make sure the info is recorded correctly. Jerry added that we are getting donations from credit cards now, but a fee is deducted from what the church receives. That option was added to accommodate non-members to donate to mission trips, etc. Since we won't have addresses for most of them, we can't send out a statement of giving. Finance will discuss the issue at their meeting next week.

Trustees – no report (meet next week).

Nominations – On behalf of Nominations, Debbie moved that Shelome Gomes replace Ivan Gomes, who is in class of 2014 of SPRC, Rich seconded; passed on voice vote.

Caring Ministries – Bruce said that the brochure will be updated to reflect current ministries, such as removing the Prisoner Release Ministry (there is no one to replace Don Weibel, who used to head it up, though UMM will do some things with it).

Christian Corner – no report

Education - included in Pastor's report.

Evangelism – no update

Lay Leader – no report

Memorial Committee – no report (meeting next Thursday)

Micah Ministries – no report

Music – Carolyn said that this Sunday is the last regular music Sunday, will start up again after Labor Day. Sunny noted that Colin (keyboardist) is in Russia (to perform and dedicate building in the name of his great-grandfather), will not be here for two Sundays; she thanked all music leaders and groups for great Music Sunday.

Stewardship – no report

UMM – Steve said that he is officially stepping down as president at the end of the year, UMM will be looking for someone to fill the role. John Machonis will stay on as Treasurer. Want to fill Pres, VP, and Sec roles.

UMW – Melinda reported that the next UMW meeting will be a salad supper at church on Tuesday, June 4. Last month we had six women meet for tennis, and six for a bike ride.

Jerry & Shirley took a truckload of rummage sale items to the Fox Valley Adult Transition Center (work program/halfway house for women directly out of prison); it was much appreciated.

Worship – Jill said one more Sunday with two services, then one service for the summer. Received 200 responses to the survey. Meeting May 28 to review; Ian will analyze results by various criteria such as age. Hope to be able to take action based upon responses. Lots of written comments. Emailed from church database; fewer than 20 received online, including four who no longer attend. Noted that the results will tell us what current attendees want, not necessarily what new people would want.

WTTF – Steve thanked Sunny & Sung for the large TV in narthex in memory of Justin Miller; thanks also to Marshall for installing it. Will work as a group to use it in the best manner. Marshall noted that the VBS flyer is on the website. Everyone agreed that it looks great (good job, Sunny!)

Jim commented that sometimes, like this one, our schedule has Ad Council meeting before some committees, when the 3rd Tuesday are after 3rd Thursday. Jerry noted that newsletter articles usually require the reminder given at Ad Council. Maybe other committees could change their meeting dates when the weeks don't align.

Next regularly scheduled Administrative Council Meeting

June 20th at 6:30 P.M.

Closing Prayer at 7:45.

Respectfully submitted,
Melinda Taylor, Secretary
